

A SCRAP IN TIME

Summer Edition 2008

Hey Girls!!

It's summertime! The hot sunny days are perfect for going to the beach, playing Frisbee in the park, or just sipping ice cold lemonade in a hammock under your favorite shady tree. And don't forget the breezy evenings, which lend themselves well to visiting with friends or reading a good book out on the porch. It's a simpler, more relaxing time of the year. When the heat becomes too stifling in your neck of the woods, consider popping by A Scrap In Time. We will have the AC cranked, cold drinks in the Fridge, and you can shop 'til your heart's content. If you can linger a little longer, take a class, or stay a while and crop! We have so many great classes and events planned for you this summer!!

FALL RETREAT

Are you interested?

Would you like to get away for a 3 day weekend?

Working on your scrapbooks, hanging out with friends, eating good food, chocolate and pampering yourself? I'm working on plans for a retreat at the beach. We would get discounted room rates, and have a large room for crops and possibly classes. I need to know how many of you would be interested. Please drop me an email at scrapintime@aol.com, or come by the store and put your name on the list. The hotel rooms would be your responsibility to pay and reserve. Price for the retreat has not been determined yet, but it will be over \$100.00 plus an additional fee for food. Classes will be separate and will be determined by participation. Let me know your thoughts, and if you have suggestions, please share!
